Dear Members of the Class of 2016,

Congratulations. Doesn’t it seem like Orientation was only yesterday? Now, you are poised to graduate from Arcadia University and embark upon the next chapter of your lives.

While at Arcadia, you have developed your intellect through rigorous academic programs, expanded your cultural knowledge through international education experiences, and discovered passions that will guide you in the future. Whether your path continues with a professional career, graduate school, volunteer work, or military service, it will be shaped by the experiences and opportunities that you embraced during your time at Arcadia University.

Though your undergraduate years are nearing an end, your initiation into Arcadia’s community of innovative, scholarly alumni is just beginning. Hold dear the lifelong connections you have formed with fellow classmates; preserve the relationships you have forged with faculty and staff; and carry the memories of your undergraduate experience with you always.

It is an honor to serve as president of a University which transforms dedicated students into motivated leaders. I look forward to seeing you on campus and hearing about your accomplishments as alumni of Arcadia University. Congratulations and best wishes.

Sincerely,

Dr. Nicolette DeVille Christensen
President, Arcadia University

The Honors Program is a specialized program only open to select students. There is both an academic and extra-curricular side to the program. Every student must complete five courses: Honors Project, Explorations in Leadership, and three HN390 electives on various topics. In addition to this, the Honors Council puts on events throughout the year such as a showing of Rocky Horror Picture Show, AU Stop Hunger Games, Exhibition for Academic Success, and various others. The president of the Honors Council from 2015-2016 was Junior Greta Diem.
