Thank you Beaver College for helping me grow, and for giving me the knowledge that I now have. At Beaver I had so much fun and I’m happy I’m finally done. Thank you for all your love and support Mom, Dad, Bubbie, Pop-pop, Bob, Erica, Mac, Jen, the Shore Family and mostly God. I’ll miss you Professor Reedy, Benny and Tyrone. “All these years I’ve been taught, now it’s my turn to teach.”
If only we arrange our life according to that principle which counsels us that we must always hold to the difficult, then that which now still seems to us the most alien will become what we must trust and find most faithful.”

– Rainer Maria Rilke

This is the moment, when all I’ve done/All of the dreaming, scheming, and screaming become one/This is the moment, my final test/Destiny beckoned, I never reckoned second best/I won’t look down, I must not fall./This is the moment, the sweetest moment of them all.
