It's almost gone - It's almost here - It's almost my year. Memories start leaving - Too far to hear . . . 
Those songs of yester-years. And all those songs of past beliefs - All the songs are still in my mind. 
Memories of the classes gone - Friendships to re-leave - It's far - It's faint. 
All those memories of the fantasies - Are leaving in a song . . . 
(From me to you)
It's time - Time to choose
Is it the songs - Is it the shows?
Or is it the major that I find . . .
The meaning of me?
